

Special Features:

- ✓ Empura Equipment Gas Connector Hose Kit
- ✓ Stainless Steel Braid For Stretch Prevention
- ✓ PVC Coating Prevents Grease Buildup
- ✓ Quick Disconnect for Easy Equipment Cleaning
- ✓ Restraining Cable Kit Included
- ✓ 3/4" NPT Full Port Gas Shut Off Valve
- ✓ (2x) 3/4" Female x 3/4" Male Street Elbows Included
- ✓ 360° Rotational Ends

About Empura Gas Connector Hose Kits:

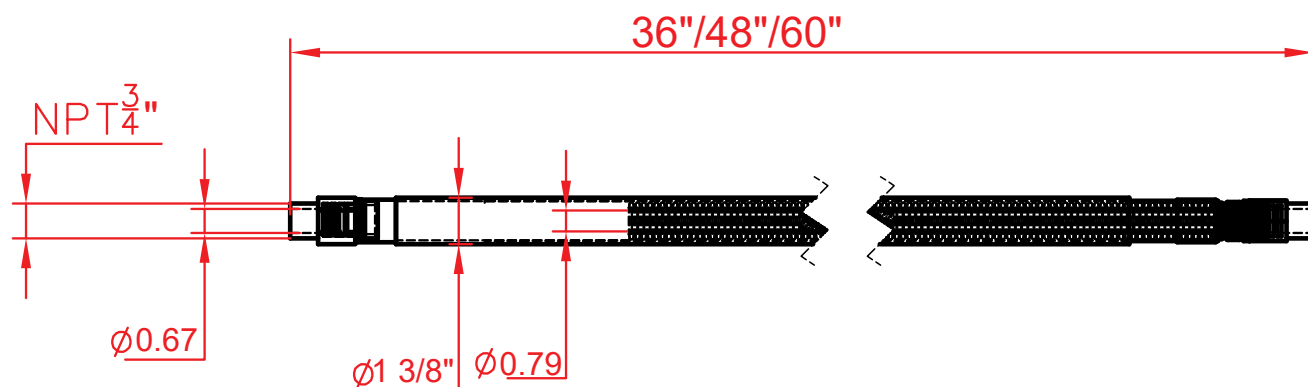

The Empura EMGCK Gas Connector Hoses are high-quality, durable gas connectors designed for commercial kitchen equipment. Available in 36", 48", and 60" lengths, these hoses provide reliable flexibility and strength for safely supplying gas to appliances. Constructed with heavy-duty stainless steel braiding and a protective PVC coating, they ensure long-lasting performance and resistance to corrosion, kinks, and wear. Each hose is engineered to meet rigorous safety standards, making them an essential choice for maintaining secure and efficient gas connections in professional foodservice environments.
