Specifications

RGLH-S Model Deck Mounted Gooseneck Faucet is constructed from a high polished triple dipped chrome finish.

Unit features a 5" gooseneck spout, 4" O.C. deck mount, ¼ turn ceramic cartridges and integral check valves.

Unit features a double O-ring spout seal and color coded hot & cold indicators.

Product Guide

Install a convenient and useful water fixture in your business.

The gooseneck swing spout provides excellent reach and clearance for ease of use. It will easily move from side to side to provide room above your sink.

Easily installed on any IMC hand sink deck, simply hook it up to your plumbing and it is ready to use.
