

Espresso Knock Box - LV0GMI1J

7.5" X 6.5" X 4.75"

Accessory for Traditional Espresso Equipment to dispose of used coffee grounds after brewing espresso shots.

This knock box is made with heavy duty stainless steel featuring a welded metal bar for stronger sides.

Knock box holder is manufactured of powder coated steel.

The holder has an open bottom with non-scratch rubber feet to avoid slipping on the counter.

Knock box rubber parts are replaceable once worn - Cover and Bar.

Designed for commercial use.
