Product Description:

The Empura E-KB28TF is a 28.8-inch, commercial reach-in freezer with an 18.1 cu ft storage capacity. It features a single solid-swing door, stainless steel exterior, and a digital control system. The unit is powered by a top-mounted compressor, maintains a steady temperature of -10°F, and uses environmentally friendly R290 refrigerant with CFC-free foam insulation.

About Empura Reach-In Freezers:

Empura E-KB reach-in freezers deliver dependable, commercial-grade cold storage with rugged stainless-steel construction. Featuring a precise maintained temperature of -10°F, adjustable shelving, and full-height swing doors, they keep frozen goods secure and organized. ETL and tested to NSF-7 Standards, these models meet strict food-safety guidelines—so your team can focus on service, not equipment.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
