Product Description:

The Empura EMG-60 Countertop Gas Griddle combines durable stainless steel construction with a sleek silver color. Powered by natural gas with five burners, it offers adjustable manual temperature control for precision cooking. The 59.6"W x 22.4"D cooking surface features a 3/4" thick polished mild steel griddle plate, providing consistent heating with 30,000 BTU per burner. Convenient splash guards, easy maintenance with a stainless steel oil collector, and 4" adjustable stainless steel legs ensure stability and longevity, making it perfect for heavy-duty use.

About Empura Gas Griddles:

The Empura EGG and EMG Gas Griddles are versatile and efficient cooking solutions, perfect for restaurants, diners, and food trucks. Built with durable stainless steel, they feature smooth, polished cooking surfaces for even heat distribution and consistent results. Adjustable temperature controls allow for precision cooking, making them ideal for preparing a variety of dishes, from breakfast favorites to lunch and dinner staples. With a compact design and easy-to-clean surfaces, the Empura EGG and EMG Gas Griddles combine performance and convenience to meet the demands of any busy commercial kitchen.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
