

Walco Idol™ COLLECTION INDUCTION

INUNIT Portable induction, 8.75" x 8.75" x 3.125"

Can be used to transform **any type of chafer** to induction.

Features for both units:

- Time and temperature programmable up to 9 hours and from 100-600 watts
- Very low amp draw
- Can plug in 7-10 units on one 20 amp circuit

INUNITCBB Countertop unit is 5.25" x 15.75" x 18"

- Specifically designed for any induction body chafer
- Magnets hold chafer body in place
- No "in use" shifting of the chafer

WIINCUKIT Portable Induction Unit

Walco has designed a portable induction unit to service some of our smaller chafing dishes and urns when used with a burner stand. The WIINCUKIT was designed by removing the metal ring and magnets from the INUNIT, a small spacer is used instead to move the WIINCUKIT into the correct position to properly heat chafing dish offerings. The WIINCUKIT retains all of the unique features of the INUNIT in a more space efficient configuration.
