- The Channel steel platform truck and racks are designed to transport heavy, bulky items, making loading and unloading more efficient.
- Built with a heavy-duty frame using tubular aluminum for strength and durability.
- 5" full swivel, non-marking casters make navigating the units easy. The casters are bolted to the frame for simple replacement.
- The Channel U1660DS has tall, removable handles and 6 non-marking wheels for easy and smooth movement, especially useful in cramped warehouses and narrow hallways.

HEAVY DUTY TUBULAR STEEL CART STEEL CONSTRUCTION					
MODEL	Casters	H	W	D	WT
STK18404	4	36"	18"	44"	72
