Product Description:

The Empura EGG-48ST is a 48" wide gas griddle with with (4) 30,000 BTU U-shaped top burner with thermostatic controls and a 3/4" thick griddle plate. The gas griddle is constructed of stainless steel and galvanized steel and includes side and back splash guards to help keep messes contained. This model is also easily converted between natural gas and liquid propane operation and has a large drip pan underneath to contain drippings and excess oil.

About Empura Gas Griddles:

Empura Gas Griddles are an economical choice when you are looking to convert some available counter space into a cooking station. Heavy duty stainless and galvanized construction, 3/4" thick griddle plate, and powerful U-shaped burners make these griddles a solid, dependable, workhorse when you're making burgers, pancakes, eggs, bacon, and more. You can count on an Empura Gas Griddle for any cooking task you may need accomplished.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
