

Special Features:

- ✓ Stainless Steel Undercounter Refrigerator
- ✓ 10.1 ft³ Storage Capacity
- ✓ Stainless Steel Framework Construction
- ✓ Dual Self-Closing Door Remains Open at 90°
- ✓ Electronic Thermostat with Digital LED Temperature Display
- ✓ Eco-Conscious CFC-Free Refrigerant R600a
- ✓ Temperature Range 33°F to 41°F
- ✓ Adjustable Heavy-Duty Epoxy Coated Wire Shelves
- ✓ High-Quality Foam Insulation
- ✓ Magnetic Door Gasket (Replaceable Without Tools)
- ✓ Auto Defrost and Automatic Evaporation of Condensation Water
- ✓ 2.5" Lockable Front Casters for Mobility

Product Description:

The Empura E-KUC48 Undercounter Refrigerator provides 10.1 ft³ of eco-friendly storage in a robust stainless-steel design. Featuring a self-closing door that stays open at 90°, it ensures convenience and efficiency. An electronic thermostat with an LED display maintains a temperature range of 33°F to 41°F. Adjustable epoxy-coated shelves, auto defrost, replaceable magnetic gaskets, high-quality insulation, and 2.5" lockable casters combine mobility, safety, and practicality. Plug with ease using a NEMA-5-15P plug.

About Empura Undercounter Refrigerators & Freezers:

The Empura E-KUC undercounter refrigerators and freezers are compact, reliable, and designed to optimize space in busy kitchens. With efficient cooling systems, adjustable shelves, and a user-friendly design, the E-KUC series provides consistent temperature control to keep your ingredients fresh and accessible. Perfect for restaurants, cafes, and bars, these undercounter units deliver performance and convenience in one sleek package.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
