

Features

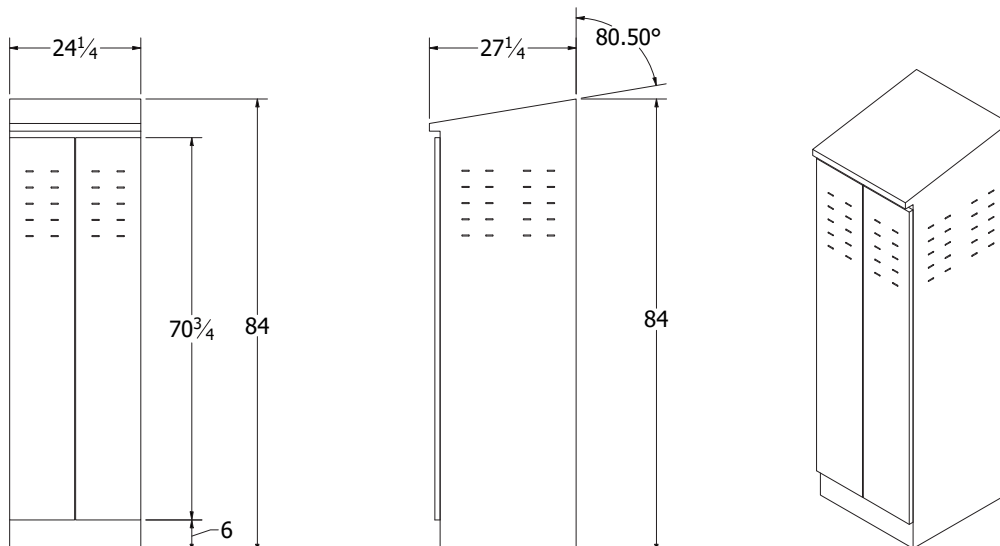

- Durable Stainless steel
- 9.5° slanted top
- Fixed shelf for cleaning supplies
- Holds up to 4 Mops
- Open back for air circulation

Description **Stainless Steel Janitorial Mop Sink Cabinet**

This stainless steel mop sink cabinet is a great way to keep all your mopping supplies organized and ready to use when you need them. This cabinet features a heavy gauge stainless steel body for outstanding durability, and its 84" tall structure provides enough space for all of your cleaning supplies. For convenient storage, the interior is fitted with a fixed utility shelf and mop hanger, and an open back helps promote air circulation. The cabinet door also locks to ensure security.
