Standard: -58 to 300 °F (-50 to 150 °C).

U505 C

SPATULAS WITH THERMOMETER

These spatulas are two tools in one. Use them to mix products and thoroughly scrape the bottom of containers like a traditional high heat spatula with the added feature of a removable thermometer. Great for agitating melting chocolate in the bain-marie, or dipping machine, while looking at the temperature with the same tool. Resists temperatures up 392 °F (200 °C). Removable thermometer has a temperature range of -4 to 392 °F (-20 to 200 °C). 15" length.
