KEY PRODUCT FEATURES AND BENEFITS

- Designed with Easybar to house Liquor Gun & Liquor Management System to neatly organize all components next to ice chest
- Housing allows liquor guns to be located close to and easily reach bar top work surface
- Keeps whips up and away from the floor while resting location minimizes workflow obstruction
- Liquor pour indicator lights on front panel for easy visibility
- Keyed on/off switch for added security
- Drip cups are made of 14 GA steel to maintain shape over life & angled for both bartender comfort and drainage

Additional Features:

- All stainless steel construction to withstand high volume bar environments
- Locating tabs provide help with installation and rigidity
- Easily disassembled with three screws for service
- Integrates liquor gun into bar design to improve bartender workflow
- Mounts to ice chest in freestanding or modular bar applications
