

DESIGN

Rotisol's most popular line, the GrandFlame combines the drama of visible flames and the beauty of elegant finishes with the highest degree of functionality.

A wide array of spits allow the chef to cook anything that can be roasted: whole or split chickens, lamb, beef roasts and steaks, cuts of pork, porchetta, fish, vegetables, even fruit.

The optional Vertical Spit System with its choice of eight hanging accessories expands the menu possibilities even more and adds additional visual appeal.
