Features

- Versatile Use: Perfect for dispensing a variety of sauces, including cheese, peanut butter, tomato sauce, oil, soy sauce, and more. Can also be used for toners, car wax, and other liquids.
- Wide Application: Ideal for use in kitchens, BBQs, studios, and car beauty shops for seamless dispensing of seasonings, glazes, and other liquids.
- Safe Material: Made from food-safe polyethylene plastic, ensuring safe use with food products and easy to heat in an insulation device.
- Convenient Design: Easily dispenses sauces and liquids with minimal mess, offering convenience for both commercial and home use.
