Serve up refreshing frozen drinks that keep customers coming back with the Adcraft Double 3 Gallon Bowl Frozen Granita Machine. This commercial frozen granita and slushy machine is the perfect addition for cafes, restaurants, delis, and concession stands. Designed for high-volume performance, this commercial slushy machine combines durability, efficiency, and eye-catching presentation to boost frozen beverage sales. With dual 3-gallon clear bowls, you can offer multiple flavors at once. The powerful refrigeration system quickly freezes beverages, while the continuous mixing paddles maintain a smooth, icy texture.

Features and Construction

- Equipped with two bowls, each holding 3 gallons
- Designed to make and serve frozen beverages with a smooth, slushy texture
- Made of stainless steel and plastic for durability
- Maintains a consistent frozen texture
