TECHNICAL SPECS

Dimensions

Length	24.13
Width	6
Height	2.75
Weight Lbs	6.83
Power Cord Length	72

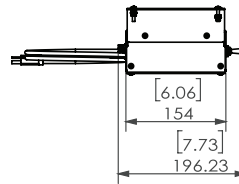

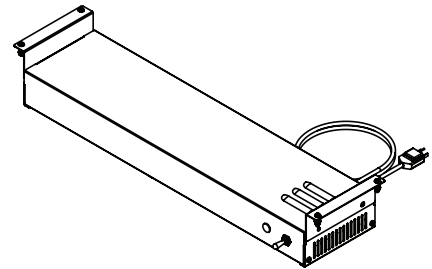

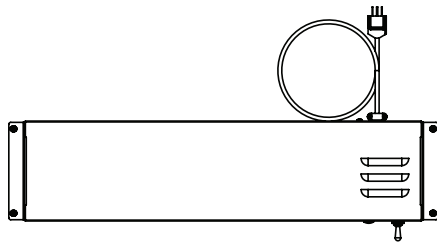

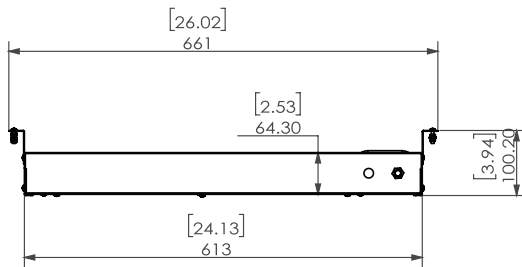

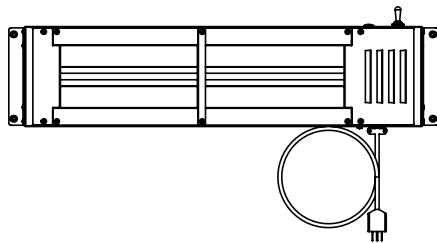

Features & Materials

Electrical Installation Type	Plug-in
Installation Type	Chain or Angle Plate
Number Of Elements	1
Heating Element Wattage	500W
Control Type	Mechanical; Switch
Control Location	Front Panel
Minimum Side Air Clearance In	3 in.
Included	Mounting Hardware
Exterior Material	Stainless-Steel 430
Color Finish	Stainless-Steel
Feature One	Simple on / off toggle control for easy operation
Feature Two	Metal-sheathed element maintains peak serving temperatures without drying out food Great for restaurants, cafeterias, and buffet lines
Feature Three	
Feature Four	Durable yet light weight Stainless-Steel housing won't sag
Feature Five	Thick insulation minimizes heat loss and directs heat where it's most needed

Electric & Certifications

Amps	4.17
Hertz	60
Phase	1
Voltage	120
Wattage	500
Plug Type	NEMA 5-15P
Certifications	UL Listed for Safety and NSF for Sanitation
