

2 AND 3 BIN RECYCLING CENTER
28 GALLONS
471-02-BLK / 471-03-BLK

If you are looking for an attractive alternative to exposed garbage bags and other unsightly means of sorting trash from recyclables, the Alpine waste and recycling bins are just the ticket. Lightweight, easily assembled and made of strong and durable corrugated plastic the 28-gallon bins are offered in 2 and 3 bin options. Designed for indoor use in hospitality suites, meeting areas, pot luck dinners and similar venues, they perform best when bins are used as containers for disposable trash bags.

FEATURES & BENEFITS

- High-density polyethylene base, lid and bins shrug off dampness for long service life
- Available in 2- or 3-bin configurations per your requirements
- Labels provided for glass, plastic, paper, recyclables, cans and waste for 12-inch deposit openings
- Each bin has 28 gallon capacity
- Shipped flat with instructions for easy assembly
