Ice Caddy Drain Grate

Adding an Ice Caddy Drain Grate to your Cambro® SlidingLid™ Ice Caddy is simple – Slide the lid back and under to open and place the Ice Caddy Drain Grate at the bottom of the unit. Make sure that the flat area of the Drain Grate is facing up.

Easy to Clean

- The Ice Caddy Drain Grate is commercial dishwasher safe.
- When cleaning by hand, use warm soapy water and a sponge or soft brush.

Sold Separately

Please note that while the built-in drain shelf comes with any Ice Caddy purchase, the Drain Grate is sold separately. This accessory is for operations that require an additional method of water drainage for longer lasting results.
