Security Cabinet

- 99551

The New Age 99551 Mobile Security Cabinet provides a secure, safe place to store valuable or dangerous items. The all-welded aluminum construction is durable and corrosion resistant. Double doors have a stainless steel hasp, ensuring your product is secure. Stainless steel door hinges are replaceable to allow for long-term use.

Three interior shelves adjust in 2-inch increments to hold items of different sizes. There are four casters welded to the base of the unit to provide mobility. Two of these casters are swivel, while the other two are rigid, making the cage easy to maneuver.

- All-welded aluminum construction is durable and corrosion resistant.
- Double doors are reinforced with tubes to add structure.
- Stainless steel hasp keeps the door locked to prevent unauthorized access.
- Replaceable stainless steel door hinges.
- 1/8" Sheet base is reinforced with a 1 1/4" x 1 1/2" x .100" wall tube to add strength and durability.
- Four 5" swivel, plate type casters have polyurethane tires and provide mobility.
 - Caster plates are welded to the base
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
