Model E24-31SF

Standard Features

- Stainless steel front and sides
- Twin nickel-plated perforated baskets
- Removable 30 Lb (13.5Kg) capacity nickel-plated steel tank with heavyduty steel handles
- Available with or without 1" (25mm) drain valve (specify), counter models with legs come standard with fryer tank with out drain
- 4" (102mm) stainless steel legs
- Single-unit sheath immersion elements that swing up
- 200°F (93°C) to 375°F (190°C) hydraulic thermostat
- Recovery signal light
- Fail-safe control with red flashing indicator light
- One-year limited parts & labor warranty (USA & Canada only)

Options & Accessories

- Large single basket in lieu of twin baskets, NC
- Additional fryer tank available with or with out drain valve (specify)
- Stainless steel back
- Stainless steel fryer bowl cover
- Stainless steel perforated fish plate
- · Stands are available

Specifications

Garland E24 Series heavy-duty counter fryers are designed and engineered for high volume food operations.

Model E24-31SF super fryer preheats to 350° F (177°C) in less than 5 minutes, and model E24-31F fryer preheats to 350° F (177°C) in 6 ½ minutes.

200°F (93°C) to 375°F (190°C) hydraulic thermostat with recovery signal light, additional fail-safe control turns fryer off if thermostat or contactor fail.

Both models are designed to as freestanding units or bank with other E24 series equipment.

Stainless steel front and sides, 18" (457mm) wide \times 29" (710mm) deep \times 12-3/8" (314mm) high.

Single-unit metal sheath immersion elements give even heat to sides, back and bottom of tank.

Heating elements tilt up to permit removal of the one piece drawn steel nickel plated finish fry tank with heavy steel handles, handles also support baskets for

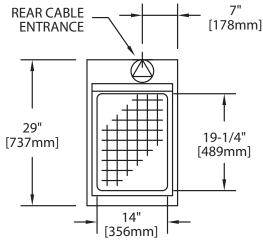

Tank capacity is 30 lbs. (13.5 kg).

Twin nickel-plated perforated baskets are standard.

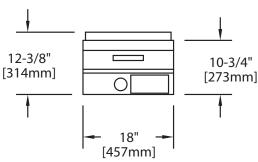

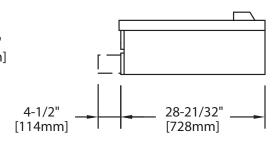

Garland products are not approved or authorized for home or residential use, but are intended for commercial applications only. Garland will not provide service, warranty, maintenance or support of any kind other than in commercial applications.

NOTE: Add 4" (102mm) to height if sanitary legs are used.
