Features

- **Durable PC Material:** These 9" serving tongs are made from high-quality polycarbonate (PC) plastic, known for its exceptional durability and resistance to breaking.
- **Clear and Stylish Design:** With a sleek, transparent design, these tongs bring a modern, elegant touch to any table setting.
- **Versatile for Various Foods:** These 9" tongs are designed to easily grab and serve a variety of foods such as salads, vegetables, appetizers, fruit platters, and bread.
- **Ergonomic Handle for Easy Grip:** Featuring ergonomically designed handles, these tongs offer a comfortable grip, ensuring easy and safe food handling.
- **Easy to Clean and Store:** The clear polycarbonate material makes these tongs easy to clean, either by hand or in the dishwasher.
