

HIGH HEAT

Compact Design. Unlimited Potential.

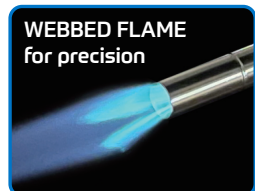

WHIP-IT! HANDY TORCH

The **Whip-It! Handy Torch** is the ideal compact tool for everyday heating tasks around the house or workshop. With a webbed flame delivering precision, it is perfect for a wide range of applications, including soldering, thawing, and melting. The **Handy Torch** features a trigger-start ignition for quick and easy flame activation, and its angled stainless steel burn tube provides excellent control for detailed work. With a maximum temperature of 2372°F, it works seamlessly, making it a versatile, easy-to-use tool for home projects and hobbies.

FEATURES

- ✦ **Easy Ignition:** Quick, reliable ignition for fast startup.
- ✦ **Versatile Flame:** Ideal for soldering, melting, thawing, and precision heat applications.
- ✦ **Fuel Compatibility:** Works with MAPP and Propane cylinders (fuels sold separately).
- ✦ **Durable Burn Tube:** High-quality burn tube for enhanced control and precision.
- ✦ **Flame Control:** Adjustable flame control valve for precise flame size and easy extinguishing.
