

ASM440A Nigiri Maker

Produces rice balls for nigiri sushi and crispy rice sushi

Consistent Production

Produce up to 4,200 perfectly formed rice balls per hour with minimal hand contact, guaranteeing consistency in every batch.

Flexible Production Options

Easily switch between single or multiple rice ball production to suit kitchen needs. The turntable can dispense clockwise or counterclockwise for maximum convenience.

Customizable Settings

Adjust rice ball size, density, and compression using customizable rollers, compatible with the previous ASM410A model.

Multi-Forming

Single-Forming

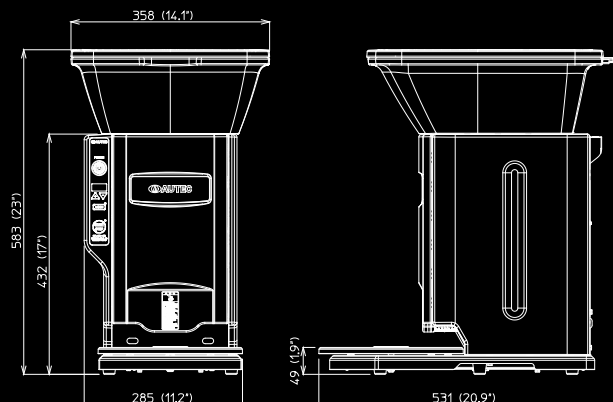

Customizable Settings

Adjust rice ball volume and density

Easy Cleanup

With only 8 removable internal parts
