Product Description:

The Empura E-KSP60M Mega Top Sandwich/Salad Table Refrigerator offers a 13.2 ft³ storage capacity with a durable stainless steel framework. Featuring self-closing doors, adjustable epoxy-coated wire shelves, and a cutting board, it ensures efficient storage and prep space. The digital LED thermostat, hydrocarbon refrigerant (R290), and CFC-free foam insulation maintain a temperature range of 33°F to 41°F. Includes 1/6 x 4" deep polycarbonate pans and lockable front casters for mobility and convenience.

About Empura Sandwich / Salad Prep Refrigerators:

Empura Sandwich/Salad Prep Refrigerators are versatile and efficient solutions designed to meet the demands of busy commercial kitchens. These units combine refrigeration and prep space, offering a convenient way to keep ingredients fresh and easily accessible while streamlining food preparation. Featuring a durable stainless steel construction, ample storage capacity, and a top compartment with pans for quick access to ingredients, Empura prep refrigerators are perfect for assembling sandwiches, salads, and other made-to-order dishes.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
