Notes & Details

Improve your sausage making experience with the Hakka Manual U-Shaped Sausage Clamp and Tie Machine. This machine combines elegant design with superior performance, with easy manual operation and an automatic nail feeding function for efficient sealing. Its durable structure has a load-bearing capacity that is 7-8 times that of ordinary machines, ensuring long-term use. Made of food-grade materials, it is not only safe and reliable, but also has a stylish appearance. Whether you are a novice or an experienced maker, this sausage clamp is your ideal choice to make every sausage perfect.
