

## A-Frame Community Table Base

**\* Quick Ship \***

Table Bases

B-A-3072-FRAME

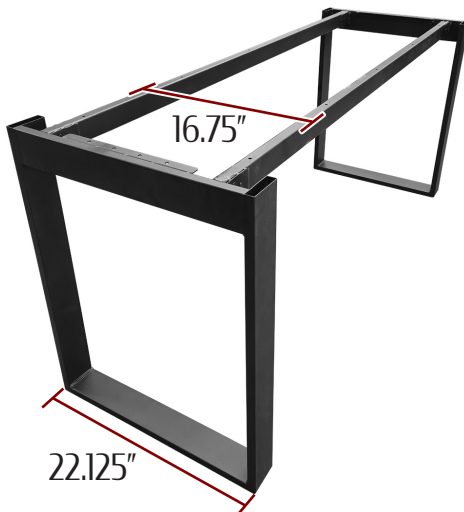

A-Frame  
Community Table Base  
shown with  
Backwoods Table Top  
with Smoked Oak  
laminate

- 16 gauge 1.6mm tubular steel
- Designed for 30" x 72" table tops (base is 70" in length) - standard dining height only
- Ships knockdown to save on freight! Simple base assembly - leg frames attach to main frame via a block joint connection - only a rubber hammer is needed, no bolting or screwing!
- Table top (sold separately) attaches to base in both leg frames and main frame for added stability (screws included with table top purchase)
- Adjustable non-marring glides
- Leg dimensions: 2" x 1" x 24" W x 28.25" H (overall height of base)
- Shipping weight: 30 lbs
