Product Description:

The Empura EGM-23W Glass Door Refrigerator Merchandiser combines style and functionality with its 21ft³ capacity and sleek white baked enamel steel exterior. Featuring a double-pane locking glass door, bright LED lighting, and a digital temperature display, it ensures optimal visibility and control. With CFC-free R290 refrigerant, adjustable shelves, and durable construction, this merchandiser is perfect for showcasing products while maintaining a temperature range of 32°F to 50°F.

About Empura Glass Door Merchandiser Refrigerators:

Empura glass door merchandiser refrigerators are a smart, budget-friendly solution for upgrading or expanding your refrigerated merchandising equipment. Built for durability, these units feature locking, self-closing doors, a user-friendly digital display, generous storage capacity, and brilliant interior lighting. Designed for reliability, they ensure your products are always secure and maintained at the perfect temperature—making them a trusted choice for business owners who value performance and peace of mind.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
