## Product Description:

The Empura E-KBB48-2G-24SD Refrigerated Back Bar Cabinet offers 12.5 ft<sup>3</sup> of storage with a durable stainless steel top, interior, and floor. It features a temperature range of 33°F to 41°F, two sliding glass doors with locks, and an electronic thermostat with a digital LED display. The cabinet includes LED lighting, adjustable steel-coated wire shelves, and easy-to-mount 4" casters. Built with CFC-free refrigerant and foam insulation, it is designed for commercial efficiency and reliability.

## About Empura Back Bar Coolers:

The Empura KBB Back Bar Coolers are designed to keep beverages perfectly chilled and easily accessible in bars, restaurants, and event spaces. Featuring a sleek, durable design with glass or solid doors, these coolers provide ample storage for bottles and cans while maintaining consistent temperatures. With adjustable shelving and easy-to-clean interiors, Empura KBB Back Bar Coolers are a reliable and stylish addition to any beverage service area.

**Intended For Commercial Use Only.** Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
