Hakka Electric 15 lbs/7.5 L Tilt Tank Meat Mixer Commercial Countertop Machine (FME10TB)

Technical Data

Length	27.2"
Width	10.6"
Height	14.6"
Net Weight	49 LB
Gross Weight	53 LB
Volume	14-16 LB
Output	176lbs/h
Material	Stainless Steel
Adapted Motor	TC8-body
Voltage	110V/60hz
Power	550W

Features

- Compact Capacity: Holds up to 15 pounds (7.5 liters) of meat, ideal for small-scale use.
- Lockable Tilt Design: Tilt with lockable positions simplifies meat operation and unloading.
- Stainless Steel Build: Rust-resistant construction for durability and easy cleaning.
- Efficient Mixing: 1.0 H.P. power unit (110V / 60Hz) ensures reliable performance.
- Versatile Compatibility: Transmission gear allows connection to Clivia meat grinders and includes rubber feet for counter protection.

Notes & Details

The Hakka Meat Mixer, Model FME10TB, features a 15-pound/7.5-liter capacity tank and a 1.0 H.P TC power unit, making it perfect for small to medium meat mixing tasks. Constructed from rust-resistant polished stainless steel, this mixer includes a stainless-steel cover and removable paddles for easy cleaning. Its tilt design with lockable positions simplifies meat operation and unloading. Operating at 110V/60Hz, this mixer ensures efficient blending of seasonings, water, and meat. It connects seamlessly to a meat grinder via transmission gear, and its reliable gearbox guarantees flawless operation. Rubber feet protect your counter, providing stability during use. This mixer is easy to operate and clean, taking the hassle out of hand-mixing meat and enhancing the taste of your sausage.
