Authorized Dealer

Thermal Safety

Motor protected by internal thermal detector and thermally disconnected from the body to protect use against heat.

Electrical Safety

- All mechanical parts are ground (earth) connected
- All equipment is perfectly controlled after assembly (special electrical testing bay)
- Overload safety

Acoustic Safety

The universal motor is particularly silent.

Mechanical Safety

A friction brake immediately stops the basket when opening the handle.

Hygiene

All removable parts can be put in a dishwasher or easily cleaned with hot soapy water (NSF approved).
