SILIKOMART SILICONE 3D MOLD "TRUFFLES"

Item #	Ø "	H "	Capacity
258314	2	2 1/2	4 oz.

SILIKOMART SILICONE 3D MOLD "ECLIPSE"

Essential, sinuous, with a round shaped surface. Eclipse differs from all the other baking pan molds because it is equipped with two Silicone parts, one of which (A) extremely flexible, apt to further simplify the phase of unmold and to reduce the time of production during the processing.

Item #	Ø "	H "	Capacity
258303	7	1 3/4	33 7/8 oz.

SILIKOMART SILICONE 3D MOLD "AMORE"

Shapes that will make you fall in love! Characterized by smooth and sinuous lines, the molds AMORE and TI AMO allow you to create romantic heart-shaped creations, to be made in semifreddo or baked version, perfect to be displayed in the shop windows!

Item #	L "	W "	H "	Capacity
258306	5 5/8	5 2/5"	2	20 1/3 oz.
