### About Empura Drop-In Sinks:

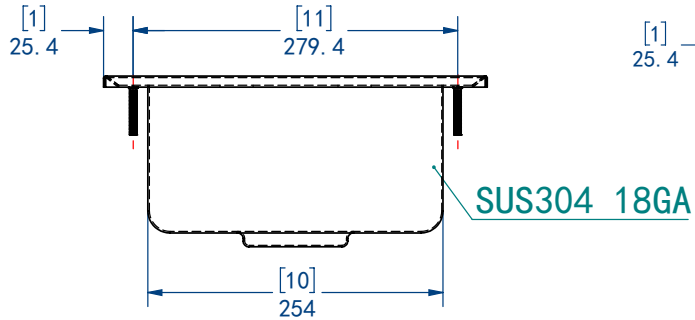

Empura EDIS drop-in sinks are versatile, space-saving sink solutions designed for easy installation in commercial kitchens, prep areas, or service stations. Engineered from durable stainless steel, these sinks offer excellent corrosion resistance and long-lasting performance. The drop-in design allows for a seamless fit into countertops, providing a clean, professional appearance. Empura EDIS models typically come with standard features such as pre-drilled faucet holes, a deck-mounted faucet ledge, and a convenient drain assembly.
