2430SSTOP
Stainless Steel Shelf Cover

Foam barrier included providing protective cushioning and helps muffle noise

Stainless Steel Shelf Covers

NSF

Constructed from durable 18 gauge 304 stainless steel, this stainless steel shelf covering offers commercial-grade resilience, engineered for extended durability. Unlike wire shelving that may permit small items to slip through or pose the risk of package leaks affecting lower shelves, this sturdy shelf covering transforms wire shelves into functional workstations, providing the versatility and dependability essential for a range of applications.

MODEL NO.	DIMENSIONS W" x L" x H"	SHIP WGT
