

Special Features:

- ✓ 7.5 cu. ft. capacity
- ✓ 2 Solid Door Swings & 2 Shelves
- ✓ 10 Pan Capacity
- ✓ 2.5" Caster
- ✓ Painted Stainless Steel & Aluminum Framework
- ✓ 33F to 41F temperature range
- ✓ 1/3 HP back reciprocating compressor
- ✓ Foam Insulation
- ✓ removable magnetic door gaskets
- ✓ Automatic Electric Defrost
- ✓ Electronic Thermostat
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KSP36 is a 36-inch refrigerated sandwich and salad prep table built for commercial kitchens. With a 7.5 cubic feet capacity and two solid swing doors, it provides convenient access to ingredients. It includes two shelves and holds up to 10 1/6-size pans. Operating between 33°F and 41°F, it keeps contents fresh. A 1/3 HP back-mounted compressor using R290 refrigerant ensures energy efficiency and environmental friendliness. Durable stainless steel and aluminum construction with 2.5-inch casters enhances mobility. The unit is ETL listed and NSF-7 compliant.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Sandwich / Salad Prep Refrigerators:

Empura Sandwich/Salad Prep Refrigerators are versatile and efficient solutions designed to meet the demands of busy commercial kitchens. These units combine refrigeration and prep space, offering a convenient way to keep ingredients fresh and easily accessible while streamlining food preparation. Featuring a durable stainless steel construction, ample storage capacity, and a top compartment with pans for quick access to ingredients, Empura prep refrigerators are perfect for assembling sandwiches, salads, and other made-to-order dishes.
