

Tubular Deck Cart

95661

Two-Tier Aluminum Tubular Deck Carts provide an easy and comfortable means of transporting bins, boxes and other supplies around your facility. Two slatted top shelves to move product at a convenient and ergonomic top shelf work height of 30 inches. Aluminum construction allows these mobile units to be used for heavy-duty stocking and produce operations in any atmosphere. With a slim width of 19" and an ergonomic-friendly handle, these carts work great for stocking in narrow aisles.

- Framework is constructed out of 1½" x 1¼" x .070" wall tubing.
- Uprights and handle are constructed out of 1½" diameter pipe.
- Equipped with four 5" platform type casters, two swivel and two rigid.
- One-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
