Product Description:

The Empura E-KBC-36 is a commercial bottle cooler ideal for high-volume bars, restaurants, and convenience stores. With a 9.3 cu. ft. capacity, it features a black-coated steel exterior and painted aluminum interior for durability and easy upkeep. It includes a lockable stainless steel sliding lid, side-mounted self-contained refrigeration using R600 refrigerant, and automatic defrost. Additional features are a built-in bottle opener with cap catcher, interior light with manual switch, and a 7-foot power cord with NEMA 5-15P plug. Operating on 115V, 60Hz, 1-phase power, it is ETL listed for safety.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Bottle Coolers:

The Empura EBC Bottle Coolers are the perfect solution for efficiently chilling and storing beverages in bars, restaurants, and event venues. Designed with a sleek, durable exterior and spacious interiors, these coolers maintain consistent temperatures to keep drinks perfectly cold. Sliding or hinged lids provide quick access, while adjustable dividers make organizing bottles and cans easy. With their reliable performance and compact design, Empura KBC Bottle Coolers ensure a seamless beverage service experience.
