Product Description:

The Empura E-KBB72-3G-24 Refrigerated Back Bar Cabinet provides 20.8 ft³ of storage with a durable stainless steel top, interior, and floor. It features a temperature range of 33°F to 41°F, three swing glass doors with locks, and an electronic thermostat with a digital LED display. The cabinet includes bright LED lighting, adjustable steel-coated wire shelves, and easy-to-mount 4" casters. Built with CFC-free refrigerant and foam insulation, it is perfect for commercial use and efficiency.

About Empura Back Bar Coolers:

The Empura KBB Back Bar Coolers are designed to keep beverages perfectly chilled and easily accessible in bars, restaurants, and event spaces. Featuring a sleek, durable design with glass or solid doors, these coolers provide ample storage for bottles and cans while maintaining consistent temperatures. With adjustable shelving and easy-to-clean interiors, Empura KBB Back Bar Coolers are a reliable and stylish addition to any beverage service area.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
