Product Description:

The Empura EMG-48 Countertop Gas Griddle offers exceptional durability and performance, featuring a sleek stainless steel construction. Equipped with four powerful 30,000 BTU burners and an adjustable manual temperature control, it ensures precision cooking. Its spacious 47.8"W x 22.4"D x 3/4"T mild steel polished griddle plate delivers consistent heating. Designed for convenience, it includes side and rear splash guards, a stainless steel oil collector, and a removable drip tray for easy maintenance. With a 3/4" NPT rear gas connection, a liquid propane conversion kit, and sturdy 4" adjustable legs, this heavy-duty griddle is ideal for professional kitchens.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Gas Griddles:

The Empura EGG and EMG Gas Griddles are versatile and efficient cooking solutions, perfect for restaurants, diners, and food trucks. Built with durable stainless steel, they feature smooth, polished cooking surfaces for even heat distribution and consistent results. Adjustable temperature controls allow for precision cooking, making them ideal for preparing a variety of dishes, from breakfast favorites to lunch and dinner staples. With a compact design and easy-to-clean surfaces, the Empura EGG and EMG Gas Griddles combine performance and convenience to meet the demands of any busy commercial kitchen.
