

Special Features:

- ✓ 10.1 cu. ft. capacity
- ✓ 4 Solid Door Swings & 2 Set Drawer
- ✓ 18 Pan Capacity
- ✓ 2.5" Caster
- ✓ Painted Stainless Steel & Aluminum Framework
- ✓ 33F to 41F temperature range
- ✓ 1/3 HP Back Reciprocating Compressor
- ✓ Foam Insulation
- ✓ Removable Magnetic Door Gaskets
- ✓ Automatic Electric Defrost
- ✓ Electronic Thermostat
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KSP48M-D4 is a 48-inch refrigerated sandwich and salad prep table built for commercial use. It offers 10.1 cubic feet of storage and features a 9-inch polyethylene cutting board for prep work. The unit holds up to 18 pans for efficient ingredient organization. A 1/3 HP back-mounted compressor with R290 refrigerant maintains temperatures between 33°F and 41°F. Durable stainless steel and aluminum construction, plus an electronic thermostat and automatic defrost. It includes 2.5-inch casters for mobility and is ETL certified to meet NSF-7 sanitation standards.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Sandwich / Salad Prep Refrigerators:

Empura Sandwich/Salad Prep Refrigerators are versatile and efficient solutions designed to meet the demands of busy commercial kitchens. These units combine refrigeration and prep space, offering a convenient way to keep ingredients fresh and easily accessible while streamlining food preparation. Featuring a durable stainless steel construction, ample storage capacity, and a top compartment with pans for quick access to ingredients, Empura prep refrigerators are perfect for assembling sandwiches, salads, and other made-to-order dishes.
