- ✓ Electronic Thermostat and Controller

Product Description:

The Empura LG-E150-W is a commercial-grade undercounter refrigerator merchandiser ideal for cafés, kitchens, and retail counters. It measures 23.62" W × 25.39" D × 33.86" H with 5.5 cu. ft. of storage. The unit features a white baked-enamel steel exterior, embossed aluminum interior, LED lighting, and a double-pane, locking, self-closing glass door. This unit comes equipped with three chrome-coated shelves, and a digital LED thermostat for precise temperature control maintaining 26°F to 50°F.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Undercounter & Countertop Merchandisers:

The Empura LG Series undercounter and countertop merchandisers are compact glass door refrigeration units designed for efficient product display in space-conscious environments. Ideal for cafes, convenience stores, and foodservice counters, these merchandisers combine sleek presentation with reliable performance.
