

Get perfectly crisp golden-brown toast with Nemco's new Toaster Pro. This two-slice conveyor toaster is great for bread, bagels, English muffins, pre-made waffles and other toasted favorites. Easily switch between adjustable heat settings to achieve the perfect level of crispiness for any type of bread. The ToasterPRO features a robust heat shield with an exterior that stays cool to the touch.

# ToasterPRO

model #: **6800A, 6800A-B**

## STANDARD FEATURES

- 2-slice conveyor toaster
- Available with stainless steel or black powder coated finish
- Can toast up to 300 slices per hour
- Robust heat shield
- Cool-touch exterior
- Adjustable settings based on desired doneness
- Easily switch between modes of toasting top only, toasting top and bottom, standby or off
- Standby mode runs the topside element at a low temperature, saving energy when not in use, but generating faster, more efficient recovery when switched back into use
- Removable crumb tray for easy cleanup
