

PROGRAMMABLE FLOOR SHEETERS **SMART**

SMART 6500 Series

Sheeter Automation. Now That's Smart!

Introducing the **SMART** and **Industrial SMART Programmable Dough Sheeters**. Ideal for laminated dough, pie crusts, cookies, fondant, pet treats and so much more, the SMART Series of Dough Sheeters is perfect for mid to large size bakeries looking to maximize labor efficiency and increase profitability. Large diameter rollers and significant dough capacity will provide you with consistent, high quality production while the easy-to-use touch screen display allows for precise control over your product. The intuitive "SMART" software interface allows you to save up to 50 pre-programmed production sequences that can be initiated at the touch of a button. Include the optional Cutting System or Stress-Free Automatic Dough Reeler to expand its capabilities even further.
