Model SMTT
Shown w/ Optional
Accessory Holder

Specifications

SMTT Mixer Table with Tool Tree is constructed of 14GA type 300 series stainless steel with heavy duty 16GA tubular support legs with 12.7cm diameter casters (two with brakes).

Optional angle slides are welded to the uprights in pairs. Alternatively, undershelf can be substituted. See options and price page.

Tool tree is integral 4.1275cm in diameter with welded .9525cm Prongs. Tool tree height is 142.24cm.

Sound deadening is standard on all Model #SMTT units.

Product Guide

IMC Mixer/Equipment Stands are specially designed to provide sanitary carefree use - to permit quick, efficient and thorough cleaning.

These units are compact design and utilized throughout the facility to store and transport equipment. Tray slides and drawers are used to transport and store hand appliances and other accessories.
