

Specifications/data sheets

Portion baskets kit model 2-XS

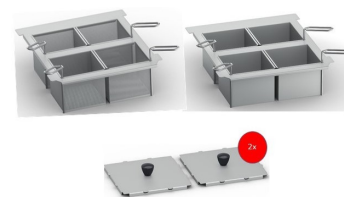

Article number:

60.76.407

Features:

- Kit with 4 punched portion baskets and 4 unpunched portion baskets, incl. lid and 2 portion basket frames model 2-XS.
- In à la carte service, small quantities can be optimally boiled in the portion baskets. Place the portion baskets frame directly on the pan edge so you can conveniently cook separate portions of pasta, potatoes or vegetables.
- You can arrange the food separately in each portion basket.
- The portion baskets come in size 1/6 GN.
