Hakka Electric 45lbs / 30 L Tilt Tank Meat Mixer Commercial Countertop Machine (FME30TB)

Technical Data

Length	30.3"
Width	13"
Height	16.5"
Net Weight	62 LB
Gross Weight	66 LB
Volume	44-55 LB
Output	330lbs/h
Material	Stainless Steel
Adapted Motor	TC12-body
Voltage	110V/60hz
Power	750W

Features

- Moderate Capacity: Holds up to 45 pounds (30 liters) of meat, suitable for medium-scale use.
- Lockable Tilt Design: Tilt with lockable positions simplifies meat operation and unloading.
- Stainless Steel Build: Rust-resistant construction for durability and easy cleaning.
- Efficient Mixing: 1.0 H.P. power unit (110V / 60Hz) ensures reliable performance.
- Versatile Compatibility: Transmission gear allows connection to Clivia meat grinders and includes rubber feet for counter protection.

Notes & Details

The Hakka Meat Mixer, Model FME30TB, is designed to handle a maximum of 45 pounds (30 liters) of meat, making it perfect for various meat mixing tasks. It features a tilt design with lockable positions, simplifying meat operation and unloading. The mixer includes a stainless steel cover and operates at 110V/60Hz with a 1.0 H.P TC power unit. Constructed with rust-resistant polished stainless steel throughout, this mixer is both durable and easy to clean. The hopper and mixing paddles are also made of stainless steel, ensuring longevity. With transmission gear that fits seamlessly with a meat grinder, this mixer is versatile and efficient. The removable paddles and rubber feet make cleaning and operation easy and stable. This reliable mixer operates flawlessly through a sensible gearbox, taking the hassle out of hand-mixing meat and enhancing the taste of your sausage.
