Product Description:

The Empura E-KBB903BG Black Glass Door Back Bar Cooler offers 29 ft³ of storage with a durable stainless steel countertop. It features a temperature range of 33°F to 41°F and three swing glass doors with locks and included keys. The electronic thermostat with a digital LED display, magnetic door gaskets, and internal LED lighting ensure efficiency. With 6 adjustable steel-coated wire shelves, CFC-free refrigerant, and easy-to-mount 4" casters, this cooler is built for reliability and convenience in commercial spaces.

About Empura Back Bar Coolers:

The Empura KBB Back Bar Coolers are designed to keep beverages perfectly chilled and easily accessible in bars, restaurants, and event spaces. Featuring a sleek, durable design with glass or solid doors, these coolers provide ample storage for bottles and cans while maintaining consistent temperatures. With adjustable shelving and easy-to-clean interiors, Empura KBB Back Bar Coolers are a reliable and stylish addition to any beverage service area.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
