TBS-618 AUTOMATIC BREAD SLICER - FLOOR MODEL

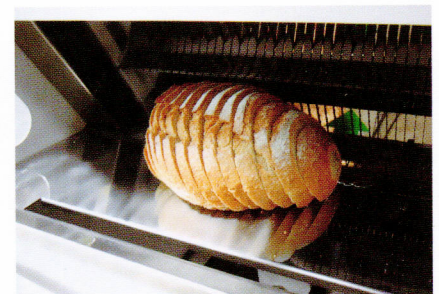

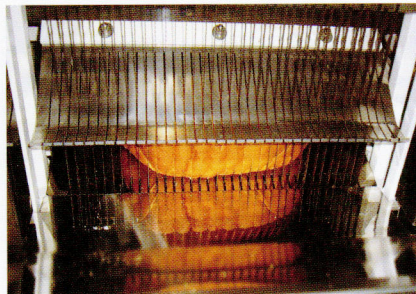

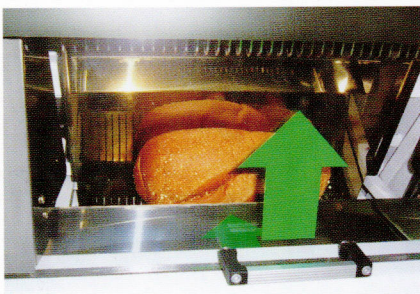

The all new, TBS-618 floor model bread slicer, has been designed to not only exceed industry standards, but " CUT THROUGH" the competition! With modern inovation, an edge on safety and good old-fashion durability, this machine outlasts all others!

This new machine complies with all federal safety administration guidelines and is designed for easy operation. It's operation is completely automatic; therefore, it need not be operated by hand. When in operation, the TBS-618's clear safety compartment door closes, locking loaves in until the slicing process is complete.

- * This machine easily slices 400-600 loaves per hour!
- * Ideal for hard AND soft bread!
- * Easy portable and equiped with four wheels for the busy bakery!
