- ✓ Reversible and Removable Cast Iron Grill Grates
- ✓ Convenient Side and Rear Splash Guards
- ✓ Natural Gas-Powered (Includes Liquid Propane Conversion Kit)
- ✓ 4" Adjustable Stainless Steel Legs for Stability
- ✓ Removable Crumb Tray for Easy Cleaning

Product Description:

The Empura ECB-60 Gas Countertop Charbroiler is designed for heavy-duty performance, featuring a robust stainless steel and galvanized steel build. Equipped with ten burners, each with individual controls, it delivers a powerful 200,000 BTUs across a spacious 53.1"W x 21.5"D cooking surface with reversible cast iron grates. User-friendly features include a 3/4" NPT rear gas connection, splash guards, a removable crumb tray, and 4" adjustable stainless steel legs. Powered by natural gas, it includes a liquid propane conversion kit for adaptability.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Gas Charbroilers:

The Empura ECB Gas Charbroilers are built to deliver exceptional grilling performance for restaurants, food trucks, and commercial kitchens. With heavy-duty cast iron grates and adjustable temperature controls, these charbroilers ensure even heat distribution and perfectly cooked dishes. The stainless steel construction provides durability and easy cleaning, while the compact design maximizes workspace efficiency. Ideal for preparing burgers, steaks, and grilled vegetables, the Empura ECB Gas Charbroilers offer reliable performance and versatility for high-demand cooking environments.
