

Roma PLUS Tomato Slicer

model #: **56610-1A, 56610-2A**

Get consistent, uniform slices of Roma tomatoes and more with Nemco's new Roma PLUS Tomato Slicer. **New & Improved** design offers increased safety and flexibility! The Roma PLUS Tomato Slicer can handle standard larger-sized tomatoes in addition to Romas. We've also enhanced the slicer with a rapid-release safety mechanism that locks the handle into place when open to avoid accidental injuries. The super-sharp scalloped stainless steel blades perfectly pierce through tomatoes for clean, consistent slices.

STANDARD FEATURES

- Dual profile cradle now accommodates Romas and standard tomatoes
- Rapid-release safety mechanism locks handle into place when open
- Stainless steel scalloped blades
- Pretensioned cartridge blade assembly
- Hardware-mounted plates ensure precise and accurate cuts
- Cast aluminum frame is lightweight and extremely durable
- Ergonomic design applies the pressure only where needed, minimizing the fatigue on both the equipment and the operator's elbow

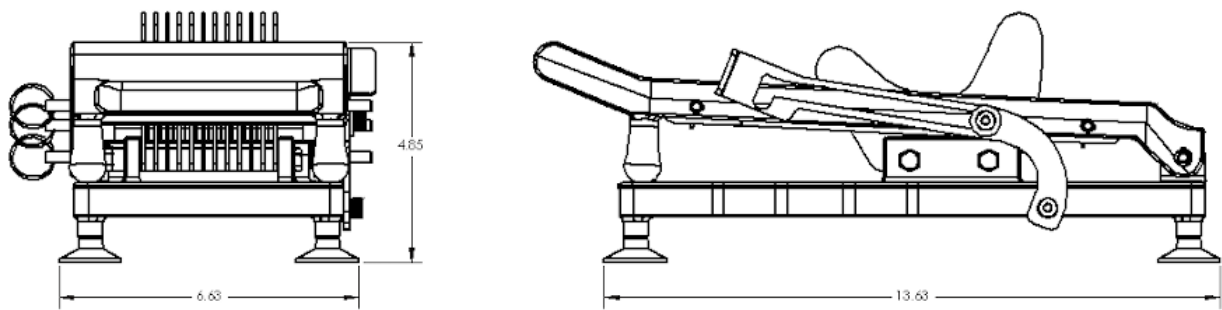

SPECIFICATIONS

Dimensions (w x d x h): 6⅛" x 14⅞" x 5½"
