Best blade in the industry

The unique design of our blade produces clean and consistent slices. The hardness results in a long last-ing sharp edge. The life of the blade is dramatically longer than the competition. Our standard blade is the hardest, thinnest, largest, straightest blade in the industry.

- 13" diameter, chromium coated hard alloy
- 60-62 Rockwell hardness at the edge

Optional accessories:

- Round platter for star shaped presentations
- Mobile Stand for the correct working height
